DETAILED ACTION

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless --

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-34 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Kennedy et al.

See especially Figure 1 and column 4, line 20- column 5, line 29.

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Brouthers is cited as being of interest since it discloses a revolver with indexing.
